

SPORTS REPORT

Cauvery College Virajpet, formerly known as Cauvery Women's College has been time and again successful in achieving the vision of our founding fathers at higher levels. Along with academics our college is a great patron of sports too. If intellect is pruned in the classrooms, personality is moulded in the playgrounds. Sports groom our students to imbibe sublime qualities such as confidence, leadership, Discipline, dedication and perseverance. Our students have carved a niche in sports in District, University, State and National Levels.

Sports achievements are as follows:
